#### Preventing Soise of Trains.

The peculiar ringing and singing noise made by the running of trains over iron bridges is annoying to many passengers. To do away with this noise a German engineer has devised the following: "He puts a decking of 1%+ inch planks between the cross girders, resting on 3-inch timbers laid on the Wm. Walker claims Flynn's election by bottom flanges. On the planks a double layer of felt is laid which is fixed to the vertical web of the cross girder. At the connections with the girder timber cover joint is placed on felt, a two hooked boits connect the firmly to the bottom flange, aprung i cents: cotton jumped 30 inches of slag gravel cover the necking. which is inclined toward the center of the bridge for drainage purposes. The Republican ticket was totally layer of felt is laid between the planks knocked out in Payne county. Bob and the timbers they rest upon and the ironwork in contact with the decking and ballast is asphalted. The decking weighs 690 pounds per yard for a bridge 11 feet wide and costs 23 cents a square foot. It is water tight and

# The Queen's Works

Most people have an Idea that royalty has an easy time of it, but the fact or that kings and queeus, even in times of peace, are almost as hard worked as day laborers. Queen Victoria, for lustance, last year had to append her

algusture to some 50,000 documents. She practically never has a heliday Stewart 45, Vincent 77, Rhinehart 44, while at Bucklugham and Windsor, She McDaniels 72, Foster 42, Ray 71, Kelson rines at 7:30. At 8 has prayers and talf an hour later breakfast, and then worth 80, Strang 42, Horner 63. White 47, | works with her secretary steadily for Millard 67, Dodd 47, Scarr 60. Arnett 49, nve bours and a half until 2 o'clock. Sometimes she has been called up in the middle of the night owing to some argent state paper requiring her signa-

# Ashury Again.

"The difference," said Asbury Peppers, though no one had saked him, the difference between a bicycle pump and an anti-prize-fight law is that one is used to blow up the tires and the other is used to tie up the blowers." Whereupon the serious boarder told aim that he ought to go on the stage, or, if the stage were not available, to go we the next train.

Ross Somers, who awallowed carolicacid with smeldal intent at Perry, will recover.

Highest of all in Leavening Power.- Latest U. S. Gov't Report.

## Thirty precincts in Missouri outside Haltimore has given state to McKinof St. Louis give Bryan 4586, McKinley Lay.
